Who makes electric vehicle charging stations & cabinets?

\*Indicates a required field Dalsin Industries manufactures electric vehicle charging stations and cabinets for the ever-growing electric vehicle market. Call us today to get started on your next project!

Why should you choose Dalsin Industries for your EV charging stations?

As an Original Equipment Manufacturer (OEM), you're undoubtedly seeking reliable partners to enhance the safety and durability of your EV charging stations. The good news is that you've just found the perfect partner. Dalsin Industries helps meet demand with functional and protective custom cabinets for charging equipment.

Are charging stations a one-size-fits-all?

When it comes to charging stations, there's no one-size-fits-all answer. Some applications need enclosures with specific sizes and shapes. Others need doors, wiring access ports, or locking mechanisms. We welcome OEMs with existing design blueprints and those still on the drawing board.
