30kW Custom Folding Container for Wastewater Treatment Plants

Our mobile wastewater treatment plant, also known as a containerized integrated wastewater treatment plant, is suitable for the treatment of small to medium volumes of wastewater.

Each unit is housed in a durable container, requiring minimal site preparation. A single 20-foot container can process sewage for small communities, work camps, or disaster relief zones.

For small scale commercial wastewater treatment applications, we preinstall all treatment modules (processes) inside a single container. The complete treatment process including primary ...
