Our portfolio covers lithium battery systems, solar PV modules, inverters, and turnkey ESS solutions, enabling seamless deployment in factories, commercial buildings, microgrids, and EV charging stations.

We provide professional Lithium Battery, Solar Energy Storage Systems, Containerized ESS, Solar Power System Homes, Commercial and Industrial use, Distributors also. Solar Projects installation ...

The cabinet has a modular design with storage from 5 to 30 kilowatt hours allowing backup power to the entire home. Nominal power ranges from 5 to 15 kilowatts, 1 phase or 3 phase, compatible with most ...

Our solutions also support off-grid and on-grid microgrids, PV + ESS + EV charging integration, and customized projects for the Bulgarian market. Partner with Highjoule to access reliable products, ...

With support for 200% PV oversizing and a maximum 40A DC input current, the Hybrid ESS Cabinet ensures high throughput for large-scale solar integration. Global MPP scanning maximizes energy ...

This energy storage cabinet is a PV energy storage solution that combines high-voltage energy storage battery packs, a high-voltage control box, an energy storage PV inverter, BMS, cooling systems (an ...

In the context of Bulgaria's energy landscape, energy storage solutions present a diverse array of benefits to various stakeholders stemming from its unique ability to time-shift energy and rapidly ...

50kW and 125kW energy storage power modules, support on or off grid mode, air-cooled battery or liquid-cooled battery optional, has transformer, has STS module to achieve 10ms seamless switching.

50kW/100kWh outdoor cabinet ESS solution (KAC50DP-BC100DE) is designed for small to medium size of C& I energy storage and microgrid applications. Individual pricing for large scale projects and ...

50kW Bulgarian photovoltaic energy storage battery cabinet for power station

The 50kW outdoor ESS features an all-in-one integrated structure, combining battery system, inverter, EMS, BMS, thermal management and safety protection in one compact outdoor cabinet.
