The ESS HV 50KW+100KWH is a fully integrated, modular battery storage system. Designed for C& I applications, it combines a PCS, BMS, LiFePO₄ batteries, and EMS into a single, sleek cabinet to ...

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial ...

South African manufacturer of microgrid energy management cabinets, data center edge computing cabinets, off-grid energy cabinets, mining explosion-proof battery cabinets, and mobile ...

Designed to support grid-tied and off-grid scenarios, the Hybrid ESS cabinet offers seamless integration and maximized space utilization, making it an ideal choice for growing energy demands.

Equipped with a smart BMS and energy management functions, this ESS supports peak shaving, load shifting, and backup protection -- helping businesses reduce energy costs while improving power stability.

Equipped with advanced LFP battery technology, this 50kw lithium ion solar battery storage cabinet offers reliable power for various applications, including commercial and industrial energy storage, microgrids, and ...

Rawsun Mobile Energy Storage Charging Cabinet is a highly integrated, flexibly deployable outdoor energy storage system designed for commercial and industrial applications and outdoor operations.

Housed in a weather-resistant IP55 cabinet, it combines a 100kWh LiFePO₄ battery pack with 50kW charge/discharge capability, supporting real-time monitoring and remote control via Ethernet, RS485, or CAN.

Discover the MEGATRON Series - 50 to 200kW Battery Energy Storage Systems (BESS) tailored for commercial and industrial applications. These systems are install-ready and cost-effective, offering on-grid, ...

50kW Mobile Energy Storage Battery Cabinet for Oil Refineries

This achieves an integrated "PV + Energy Storage" solution. The cabinet system adopts a modular design, allowing flexible configurations for photovoltaic, batteries, and loads, meeting various user-side applications.
