Technical parameter Maximum Power(W) 60W Optimum Power Voltage(Vmp) 18.46V Optimum Operating Current(Imp) 3.25A Open Circuit Voltage(Voc) 22.51V Short Circuit Current(Isc) 3.57A ...

Our range of solar panels are constructed from ultra-efficient polycrystalline and have been designed to provide a reliable and cost-effective alternative energy solution for applications where mains power is ...

High module conversion efficiency (up to 15.44%), through innovative manufacturing technology. Advanced glass and solar cell surface texturing allow for excellent performance in low-light ...

With an efficient 60W solar panel and a 20.8Ah/10.8V high-capacity battery, this solar panel system delivers constant power to outdoor equipment such as network bridges and cameras. ...

Doing Solar Differently.

Learn about the Ameresco 60J 60W solar panel. Explore solar panel efficiency, warranties and more.

The panel includes bypass diodes to minimise the effect of shadows and is supplied with all a 5m cable, connectors and detailed installation instructions for permanent fitting.

60W Rollable Solar Panel The 60W Rollable Solar Panel is lightweight, durable and extremely portable. The solar panel is fully waterproof and constructed with marine grade connectors to provide a ...

This CID2 60W 12V monocrystalline solar panel is engineered for mission-critical industrial applications, adhering to ATEX and IEC standards.

J-type junction box has accessible terminals for easier module interconnections in off-grid applications, and it allows fitting cable glands for various cross-sections. The thick back sheet provides extra ...

60W photovoltaic panel specifications
