This Lithium polymer battery has a capacity of 650mAh for a total of about 2.405Wh. If you need other Lithium polymer batteries, we also have above 700mAh Lithium polymer batteries

The Cylindrical LiPo Battery LPC13450 3.7V 650mAh (2.41Wh) is designed for lightweight, reliable applications. With its cylindrical shape, high energy density, and 40mm wires for convenient ...

Explore our range of high-quality athens cylindrical solar container lithium battery, all handpicked to ensure they align perfectly with your needs and preferences.

Explore the Cylindrical LiPo Battery 13450 650mAh, ideal for electronic atomizers and other applications. Reliable and rechargeable, it delivers efficient performance.

Unlike traditional steel-case lithium-ion cells, this cylindrical lithium polymer battery offers reduced leakage risk, lighter weight, and improved safety under high-temperature or overcharge conditions.

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes.

The LPC13450 3.7V 650mAh 2.41Wh is a cylindrical LiPo battery, which uses a polymer electrolyte. As we all know, this new type of battery now main uses in wearable devices, medical devices, radio ...

Explore the Cylindrical LiPo Battery 13450 650mAh, ideal for electronic ...

KBT 4Pack 3.2V 650mAh LiFePo4 Rechargeable Batteries, AA Size 3.2 Volt Replacement Lithium Battery for Solar Garden Light, Wall Lantern, Flashlight, Solar Post Lights

The LPC13450 3.7V 650mAh 2.41Wh is a cylindrical LiPo battery, which ...

650 mAh cylindrical solar container lithium battery

These batteries provide higher specific energy than other lithium battery types and are used in applications where weight is a critical feature, such as mobile devices, radio-controlled aircraft and ...

This Lithium polymer battery has a capacity of 650mAh for a total of about ...

Huijue's lithium battery-powered storage offers top performance. Suitable for grids, commercial, & industrial use, our systems integrate seamlessly & optimize renewables. High-density, long-life, & ...
