Former Vice President Al Gore wages a passionate campaign for the environment in this Oscar-winning documentary. Watch trailers & learn more.

An Inconvenient Truth is not a story of despair but rather a rallying cry to protect the one earth we all share. "It is now clear that we face a deepening global climate crisis that requires us to act boldly, quickly, and wisely," said Gore.

An audience and critical favorite, An Inconvenient Truth makes the compelling case that global warming is real, man-made, and its effects will be cataclysmic if we don't act now.
