What does ASHRAE stand for?

Its current name and organization came from the 1959 merger of ASHAE and the American Society of Refrigerating Engineers (ASRE). Despite having 'American' in its name, ASHRAE is a global organization, holding international events. In 2012, it rebranded itself with a new logo and tagline: "Shaping Tomorrow's Built Environment Today".

What is an ASHRAE Fellow?

ASHRAE Fellow is a Membership Grade of Distinction conferred by The College of Fellows of ASHRAE, Inc. to an ASHRAE member with significant publications or innovations and distinguished scientific and engineering background in the fields of heating, refrigeration, air conditioning, ventilation.
