Whether you need industrial-grade energy storage for commercial facilities, power backup solutions for telecommunication networks, or efficient home energy storage systems, Huijue delivers reliable, safe ...

Container-type energy base station: It is a large-scale outdoor base station, which is used in scenarios such as communication base stations, smart cities, transportation, power systems and other edge ...

With an IP65 outdoor lithium battery, it is much more durable to bad weather conditions, providing weatherproof protection while maintaining stable performance outdoors.

It supports 2.5kWh battery expansion packs and can support up to 6 power packs, reaching 17.5kWh, to provide a stable power supply for various household appliances.

Energy for industrial, commercial & home use. Combining efficiency, safety, and scalability, it meets your power needs with optimized usage and real-time monitoring. Discover Huijue's

Our comprehensive range includes custom-designed systems that integrate seamlessly with solar PV arrays, offering uninterrupted power supply and energy cost savings.

These solutions cover most commercial applications, such as electricity cost management, photovoltaic self-consumption, backup power scenarios, microgrids, and off-grid ...

These solutions cover most commercial applications, such as electricity cost management, photovoltaic self-consumption, backup power scenarios, microgrids, and off-grid applications.
