What is a double sided solar street light (SL-X)?

The LED lighting source uses 5050 SMD with the self-developed lens to achieve the maximum luminous to 210lm/w. At the same time, the adjustable brackets of this China solar light can also meet different requirements of the road. The Details of Double-sided solar panel solar Street Light (SL-X)

What is anern SL-X double-sided solar street light?

Anern SL-X double-sided solar panel solar street light increases the power generation and efficiency by 20%-30% compare similar products. The LED lighting source uses 5050 SMD with self-developed lens to achieve the maximum luminous to 210lm/w. Contact us!

What is anern solar street light?

AN-SL-X series this series of Anern solar street light uses double-sided high-efficiency Monocrystalline solar panels, which can increase the power generation and efficiency by 20%-30% compare to similar products. The LED lighting source uses 5050 SMD with the self-developed lens to achieve the maximum luminous to 210lm/w.

What makes anern SL-X solar street light different?

Optional 24-hour work external camera, mobile APP monitoring. Anern SL-X double-sided solar panel solar street light increases the power generation and efficiency by 20%-30% compare similar products. The LED lighting source uses 5050 SMD with self-developed lens to achieve the maximum luminous to 210lm/w.

About this item ENHANCED DOUBLE-HEADED SOLAR LIGHT: We offer a new enhanced double-head solar light with larger solar panel and two identical lights. 8800 mAh battery can be fully ...

Double Lamp Head Design: our solar wall lights outdoor have two led lamp head, 12pcs LEDs each for left/right lamp heads given 4000K natural white bright light. Adjustment angle range for each solar ...

The DSC-X Double-Sided Solar Street Light by JSDSolar is a high-performance outdoor lighting solution designed for municipal, roadway, and large-scale projects. Its innovative dual-panel ...

HESTIA Solar Garden Light offer dual-sided lighting with two led optics in opposite directions, Lithium battery and controller with motion sensor are built inside. Ideal for decorate the gardens, backyard, ...

Household solar light two-sided light

Discover 25W-45W double-sided all-in-two solar wall lights with IP66 protection, A-Class panels, and ultra-wide illumination for reliable outdoor lighting.

The Sol-Icon PIR Solar Path Light is a very unique design. Not only is it super slimline, it is also a two sided path light, designed to illuminate in both directions independantly. From a sideways ...

Dual-sided solar bollard light with illumination in opposite directions. A square-shaped solar panel provides higher power output for improved performance.

Leadsun's AE5 solar powered LED light features revolutionary double-sided solar panels and ultra-bright illumination, delivering industry-leading energy efficiency for street and area lighting. This high ...

The dusk to dawn solar light has high-quality ABS engineering plastics and 3mm shatterproof tempered glass that protects it from damage. It is IP65 waterproof that could withstand rain, snow, wind, and ...
