In such a case, please contact the SolarEdge service team in your region. Service phone numbers for each country are available in the SolarEdge CSS-OD: Battery Cabinet 102.4 kWh Safety Data Sheet ...

## How to discharge the solar container battery cabinet

I'd put a container of desiccant like CaCl or SiO<sub>2</sub> inside the cabinet to dry out the air when the cabinet is opened. I'd have to replace that from time to time, but probably worth it.
