The LONGi LR5-54HPB-405M is a 405W half-cut solar module, boasting 108 cells for optimized efficiency and performance. With a black frame and black backsheet, it fits perfectly into modern ...

Greentech Renewables supplies LONGi Solar 405W 108 Half-Cell 1500V Black ...

The LONGi LR5-54HPB-405M 405W Monofacial solar panel stands out with its innovative design and advanced features. Utilizing half-cell modules, it enhances power output while effectively reducing ...

Bifacial Energy Yield: Utilizing dual-glass construction, this LONGi solar 405W module captures sunlight from both the front and rear sides, offering additional power gains of up to 25% depending on the ...

Upgrade your solar power system with the 405 Watt LONGI solar panel. Sleek, all black design that seamlessly blends with your rooftop.

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...

Datasheet LS 405W Mono, All Black Solar Panel

Introducing the Longi LR5-54HABB-405 solar panel, a high-performance addition to your solar energy system. These 405-watt panels, made up of 120 monocrystalline solar cells, are designed to deliver ...

Greentech Renewables supplies LONGi Solar 405W 108 Half-Cell 1500V Black Bifacial Solar Panel, LR5-54HABB-405M and other pre-qualified solar equipment from LONGi Solar through our extensive ...

LR5-54HPB-405M produces 405 W of power under standard test conditions. Even at high temperatures, LR5-54HPB-405M remains efficient. It loses just -0.34% efficiency for every 1.8°F over 77°F,

Longi photovoltaic panel double-sided 405 watt

letting ...

All you need to know about the LR5-54HPB-405M solar panel including rating, cost, efficiency, and warranty terms.
