LESSO 210R N-TOPCon Dual-glass Bifacial Module (66) Power Range 615W ~635W Power Output Tolerance 0W ~ +5W Maximum Efficiency 23.51%

Monocrystalline : 132 Cell Series Power Outage Range: 590-615W Maximum Efficiency: 22.8% Positive Power Tolerance : 0 ~ 5W 16BB half-cut cell technology: New circuit design, lower internal current, ...

Features: Bifacial - Generates power on both sides increasing production up to 25% . Double Glass Durability - increased durability, weather-resistances, UV resistant and withstand high temperatures ...

615W~635W Key Features High Leading Efficiency module efficiency in industry, up to 22.7%

Natural symmetrical bifacial structure bringing more energy yield from the backside. Stronger water resistance, greater air impermeability to extend module lifespan. Industrial leading product and ...

615 - 635 Watt Positive power tolerance of 0 ~+3% Philadelphia Solar's Mono-Crystalline N-type modules with power up to 635Wp are produced Made In Jordan

This 120 half cell HJT bifacial double glass solar panel provides a powerful combination of increased PV module efficiency, energy savings and durable long-term performance.

Our bifacial double-glass design increases energy production by 5% to 25%, capturing sunlight from both sides, making it ideal for installations in open spaces such as industrial rooftops or large solar ...

The JA Solar N-type 615W bifacial double glass high efficiency ...

The JA Solar N-type 615W bifacial double glass high efficiency JAM66D45-615/LB solar module comes with an extensive 30-year warranty, assuring you of its quality and reliability throughout its lifespan, ...

Solar cell module 615wpn double-sided double-glass

The DAS-DH132NE-615W (BIF, DG) solar module from DAS Solar helps you to maximize the performance of your solar system and delivers an outstanding rated output of 615 watts.
