MoneyballGovernment IncentivesDefending The EnvironmentPower PlayLight The BeamUnderstanding state laws and regulations can provide teams with leverage to access renewable energy at competitive prices. An example is Allegiant Stadium, home of the Las Vegas Raiders football team, which is set to become 100% powered by renewable energy in 2023 after three new solar farms are completed. Legal maneuvering helped to reach this ren...See more on projectfinance.lawPublished: Jun 23, 2023
